

I. Introduction to Pray & Watch \_\_\_\_\_

“...the only think worth living for is a growing intimacy with Jesus and a growing passion for others to find life in Him.”<sup>1</sup>

II. Finding what's Worth \_\_\_\_\_

A. Deep and lasting purpose and joy can only be found in a life devoted to what cannot be \_\_\_\_\_ (Heb 11:1; 1 John 2:15-16; 2 Cor 4:16-18)

“...look past the visible and see the *something bigger* that is always going on!”<sup>2</sup>

B. If we don't change our perspective on what \_\_\_\_\_, we will spend our lives confused, disappointed and frustrated by what God is or isn't doing

“Everything God is doing is about eternity. He is always at work in the invisible parts of people, to reveal the invisible to us.”<sup>3</sup>

“The infinite and providential Creator/Sustainer doesn't intervene for us in order to make life on this earth happy. He intervenes in order to surgically remove our heart ties with this world.”<sup>4</sup>

“God is always at work *in* the hearts of people *for* the hearts of people.”<sup>5</sup>

C. What matters most is \_\_\_\_\_ finding \_\_\_\_\_

“The quality of the earthly lives of the members of His church is not Jesus' highest priority.”<sup>6</sup>

“The Good Shepherd's single and focused priority is getting people ready for the next life!”

“Want to experience that inside out change? Tell yourself the truth that **‘what matters most is people finding Jesus’** over and over again throughout the remainder of this day.”<sup>7</sup>

D. We cannot persuade, convince, love, or share anybody to \_\_\_\_\_ (Mt 28:18; Jn 16:8; Col 1:3-6)

“Most of us have misunderstood the role God wants us to play! There is nothing in God's word that tells us we are responsible for or capable of accomplishing...‘The Great Commission.’”<sup>8</sup>

“It's not about us and it's not up to us! His authority and presence is what drives, empowers, and accomplishes this.”<sup>9</sup>

E. You have been invited by God into a purpose worth \_\_\_\_\_

“It’s not about our personality, gifts, skills, training, or courage. It simply requires getting our eyes off ourselves! Remember, we can’t do this crazy thing God has invited us to do! Let’s refocus. God has to do it...but we get to help! It’s all about God!”<sup>10</sup>

### III. How to \_\_\_\_\_ the Pray & Watch Lifestyle

A. We serve a God who lives to \_\_\_\_\_

**The 5-second prayer: *Father, please send your Holy Spirit to work in the hearts of \_\_\_\_\_. Draw them to Jesus and make them kingdom laborers.***

B. People who need Jesus have you \_\_\_\_\_

“The Holy Spirit of the living God is actually moving in the hearts of the people we pray for...right now. A sold out, reckless expectation of that work is at the heart of our Pray & Watch Lifestyle.”<sup>11</sup>

Watching: Being around people with anticipation! “We are always watching to pray...and we are always praying to watch.”<sup>12</sup>

“A witness observes people in life, and then just shares his experience when asked to do so. It’s not my job to fix anything, win anything, or decide on anything. My job is to bring people to Jesus and watch Him work.”<sup>13</sup>

C. Prayer \_\_\_\_\_ the work (Luke 10:2)

“Wherever there are people there are people who need *and want* Jesus!”<sup>14</sup>

D. Prayer focused on the lost keeps our eyes on the ball and our lives all about what \_\_\_\_\_ most!

“...we know that Jesus is building His church and saving a people for Himself on a daily basis. Focused prayer on that issue is always the will of God and our most significant request.”<sup>15</sup>

E. Every \_\_\_\_\_ program is a church program waiting to happen

“We are kingdom laborers first, and everything else is a vehicle taking people to the kingdom.”<sup>16</sup>

F. The world needs to see our \_\_\_\_\_ in order to see the grace of our God!

“...most startling, compelling, & contagious vision of human life is God’s grace covering our sin.”<sup>17</sup>

G. The words of the gospel must be spoken when the heart is ready to \_\_\_\_\_ them (Col 4:2-6)
